Mrs. Weisberg, 2-7-96
Thank you for assisting
Herold W. with that "new" book.
"Never Again". Quite a monument.
For being so thoughtful.

that make someone feel
very special
and
that is appreciated.

The "new" book is quite a monument and a miracle. Very good footwork. Very much like Sherlock Holmes.

For being so thoughtful.

P.S. - Keep going. I'm waiting for a "new" installment.
